

THE NATIONAL EDUCATION TRUST

invites you to join us in demonstrating that

Early Years Matter

Early Years NETworks

A discussion, debate and development programme for EYFS teams in Schools, Children's Centres and Early Years Settings in your area

“I've gone from overwhelming concern over the challenges I face to celebrating success, feeling good and energised to do more.”

Programme is subsidised
by DFE in 2012 only.
Each centre pays £200 for the
programme with up to 4 places
at each session.

Early Years NETworks

Ten session programme
(May 2011 – March 2013) of
monthly training including visits,
case studies, guest speakers and
practical workshops

Create a NETwork in your region of 20+
schools/settings/centres and we will tailor the
training to meet local needs.

All sessions 10am – 2pm with opportunity for
networking from 9.30am until 3pm.

A short presentation on the training programme
can be booked by Local Authorities and
organisations who are interested in joining
a NETwork or setting up one of their own.
Contact louise@nationaleducationtrust.net for
more information.

**If you are interested in registering your
interest or in setting up a network of
20/30 centres in your area please contact
us. National Project Leader
